

## SOLERO® SUBLIMO PRO

The Sublimo has a contemporary and sleek design with beautiful lines that instantly adds a dimension to your garden, balcony or terrace. This trendy parasol is equipped with four crossed ribs and is incredibly easy to operate. The Sublimo truly stands out above the crowd.

Each Solero parasol has its own character, and that certainly goes for the Sublimo. He's sleek, modern and has a specific, headstrong appearance. The Sublimo is available in two sizes, the square **200x200 cm** and the **round 300 cm** version. These parasols are equipped with a perfect fitting gray protection cover.

## ANODISED FINISH

Every metal part of the Sublimo is anodized. With a special treatment, the metal is equipped with a slightly glossy layer that looks great and protects against corrosion and tear and wear.

## EXTRA ATMOSPHERE

The Solero Accento click-on light fits around the mast of the Sublimo, it's a nice addition that gives the parasol just a little bit more appeal. When you point the lamp downwards you can easily read a book under it, but when you turn the Accento click-on light around you'll create indirect mood lighting, which is ideal to make the summer nights last a little longer.

## UNIQUE PUSH-UP SYSTEM

Using the unique push-up system, the Sublimo is opened in two seconds, after which you find yourself relaxing in the shade below the fade resistant square cloth measuring 200 x 200 cm  $\phi$  300 cm. Through the integrated rib springs the canvas always remains tight, on top of that the canvas is watertight and colorfast, we even warranty the colorfastness for 4 years!
